Notes to Winners list 2005 PFA Flying For Fun Rally 3rd July 05

Flitzer ZZ1 G-ERIW winner of Concours D'Elegance "Pilot" Trophy and Best Plans
Built "Air Squadron Trophy" is the 2000th aircraft to be awarded a PFA "Permit To Fly".

The Swalesong Trophy for original design feature went to Mark Burton with his VP prop controller to be seen on his Europa G-NEAT.

Chris Parker awarded the Lois Parker Trophy for his long term commitment of attending numerous meetings at NATMAC etc on behalf of PFA.

Fiona Luckhurst and Raymond Proost of the Shadow Flight Centre for their enthusiasm and help to PFA Engineering and PFA members.

Steve Moody for Airside operations at the Rally.

Richard Collins of Derby wins the Ted Moslin Memorial Trust Award for young engineers in light aviation. This takes the form of a grant of £400 to purchase tools.

Sven Eric Pira flies each year from Sweden in his T18 and before that in an Ercoupe to be at our annual rally.

Volke Teske is usually one of the first arrivals from overseas and assists in setting up the rally and working in Booking In over the weekend. Easily noticed by his orange flying overalls he used to perform a spirited display in his Jodel D.120 in earlier years.

Simon Ledingham flew down from Carlisle in his Gyroplane.
